

Sign up for our new semester! Starting on December 8th

Learning
Math and
Science in a
fun way!

BRICKS CHALLENGE

Science, Technology, Engineering,
and Math (STEM) and much more
Target Age groups: 1st – 5th Grade
Class Duration: 60 – 75 min.

ROBOTICS

Building Robots, Learning
Algorithm planning, and Coding
Target Age groups: 6th – 8th Grade
Class Duration: 75 – 90 min.

Centre of Cooperation and Advancement survey on Young Engineers' program in 2012

- **88%** of students attending our classes have improved their math and had grades ranging from 85-100.
- **81%** became more efficient in organizing their days
- **42%** of students indicated that Young Engineers classes made them think about things they want to do in the future!

...plus, learning Problem Solving, Critical Thinking, better Communication

We are approved by Waterloo District School Board to teach Science, Math, and Technology. Our classes will take place at Core Recreation Centre
